

CATERHAM
MARBLE & GRANITE

The Complete Fireplace Collection

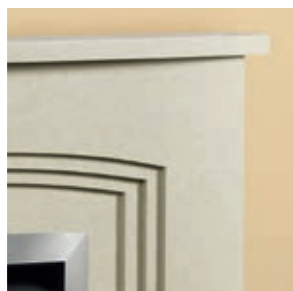

experts in marble and granite

one of the UK's leading fireplaces suppliers

Caterham are proud to have a reputation as one of the leading suppliers and manufacturers of high-quality, British-made fireplaces.

Using only the finest marble and granite from around the globe, we have up to half a million pounds worth of stock covering more than twenty unique colours. With such a broad selection of natural and man-made materials, we can create fireplaces to suit any design.

bespoke craftsmanship combined with precision technology

Specifically configured for Caterham, our very latest CNC machines give us the ability to accommodate any design. Whether manufacturing one of our own stunning designs, or something entirely unique, we can guarantee accuracy and quality are never compromised.

Using only experienced craftsman, all of our fireplaces are expertly assembled and polished by hand to ensure that the finished result is absolutely perfect.

All of our fireplaces are made to order.

exclusive to independent showrooms

Caterham supply exclusively to local, independent showrooms all around the UK. Offering the best in customer service and the personal touch, our stockists share the same passion for design, quality and service as we do.

specifications

All of our fireplaces are made by hand, therefore they may be subject to slight variations from the sizes illustrated.

If any sizes are particularly critical, please inform us when placing your order so that we can ensure your requirements are met.

A – overall height,
B – shelf width,
C – hearth width,
D – flat area,
E – shelf depth.

wooden fireplace mantels

Please note the overall height of wooden mantels does not include the hearth.
